AFFIRMATION OF ORDINATION  
THE CHRISTIAN AND MISSIONARY ALLIANCE

Mohamed Mohamed Abaker Mohamed, after due examination and approval by our ordained Pastors and Leaders of The Christian and Missionary Alliance working internationally, has now been set apart and ordained as a servant of the Lord for gospel ministry, today, on the 15th day of August 2024. This follows examination of his theology and observation of his character as a pastor-teacher, serving by grace and not for any gain, but called with a holy calling and gift well trained in the Word of God, and in addition to lead and feed the flock of Christ so long as his life and beliefs honor the Word of God. He has been well trained in the Word of God, and in addition: Alliance history and doctrine; spiritual development; and apologetics. We believe that he is qualified to administer the ordinances, and to lead and feed the flock of Christ so long as his life and beliefs honor the Word of God. This recognition of ordination is for service within the Alliance House Church Movement, and our prayer is that he will remain faithful to be the Lord's servant promoting love, unity, holiness, and mission within the Alliance Fellowships for which he has been trained.
